If it is deemed necessary by the RBCRA Executive Director, the finalists will then present an oral presentation (not to exceed 40 Minutes) to the Selection Committee and Oral Interview Committee for final selection. The evaluation method for the oral interviews will be communicated upon invitation to the finalists to present and will focus substantially on the information presented in Section 1-2 of this solicitation.

The Selection Committee and Oral Interview Committee will be appointed by the CRA Executive Director.

#### **4.4 FINAL SELECTION**

A recommendation of the top three (3) ranked submittals will be made to the CRA Executive Director regarding the award of this contract. The Executive Director will make the final determination on the top ranked firm. If the Executive Director deems it necessary the top ranked firm will be presented to the CRA Board of Commissioners for approval.

The CRA reserves the right to reject any or all offers or to accept any offers which is in its best interest. The CRA also reserves the right to waive any informalities, Irregularities and technicalities in procedure.

The CRA reserves the right, before awarding any contract, to require a firm to submit such evidence of qualifications and any current or updated information that was requested in the RFP as it may deem necessary and may consider any information available to it of the financial, technical, and other qualifications and abilities of a submitter, including past performance with other governmental agencies. Submitters are advised that requests for additional information or site visitation are not to be construed as an indication that a submitter will receive or is in the best position to receive a contract award.

The CRA reserves the right to cancel the contract, or portions thereof, without penalty at any time.

The award will be made in a timely manner. Following notification of the firm selected, the CRA will expect a contract to be executed by the parties within fourteen (14) business days. The CRA will engage in negotiations with the top ranked firm and so on in order of ranking until a firm is selected. The term of the contract will be for three (3) years with the option to renew for two (2) additional twelve (12) month periods based on favorable annual performance. Any additional requirements or changes will be added to future renewals as written addendums.

Award for this service is subject to negotiation of a contract acceptable to the CRA. The Evaluation Committee reserves the right to negotiate further terms and conditions, including price with the highest ranked submitter. If the Evaluation Committee cannot reach a mutually beneficial agreement with the first selected submitter, the Committee reserves the right to enter into negotiations with the next highest ranked submitter and continue this process until agreement is reached.

The CRA Commission will award a contract or reject any or all submittal(s).

## **EVALUATION OF QUALIFICATIONS**

### **SECTION 5**

#### **EVALUATION CRITERIA**

A maximum total number of points are set out in the table following this discussion. Each category of evaluation criteria will be broken down further with points assigned to each. When appropriate, points will be awarded based upon a quantitative review of the responses. In the award of other points, members of the Selection Committee will utilize a multiplier value to indicate the degree to which, in their opinion, the Contractor satisfies the evaluation criteria.

The following qualitative guidelines will be used for assigning a multiplier value:

**Outstanding Response:** Highly comprehensive, excellent reply that meets all of the requirements of the areas within that category. In addition, the response covers areas not originally addressed within the RFQ category and includes additional information and recommendations that would prove both valuable and beneficial to the agency. This response is considered to be an excellent standard, demonstrating the Contractor's authoritative knowledge and understanding of the project.

**Commendable Response:** Meets all the requirements within the category and has demonstrated in a clear and concise manner a thorough knowledge and understanding of the subject matter. This response demonstrates an above average performance with no apparent deficiencies noted.

**Satisfactory Response:** Meets the requirements in the category in an adequate manner. This response demonstrates an ability to comply with guidelines, parameters, and requirements with no additional information put forth by the Contractor.

**Inadequate Response:** Minimally meets the requirements in the category.

**Failed Response/ No Response (no points awarded):** Does not meet the requirements for the category.
